

CHINATOWN CULTURAL DEVELOPMENT STRATEGY

3rd COMMUNITY MEETING

Wednesday, December 10th
7:00 p.m.

Chinese Community Church
500 I Street, NW Washington DC

The Chinatown Cultural Development Strategy (CCDS) will hold its 3rd community meeting to present the planning team's initial recommendations for Chinatown's future development. These recommendations are based on goals formed during two community planning meetings organized by CCDS with Chinatown residents, merchants, and community leaders. Most importantly, we will be looking for your thoughts and feedback to these initial recommendations. If you haven't come before, don't worry. We will have handouts explaining the process and what's happened at our meetings, as well as other materials outlining our work so far that you can take home.
